FFFA Club Meeting on January 27th at Perkins Restaurant

Our FFFA Club meeting will be held on January 27th at Perkins Restaurant & Bakery located at 8200 N. Wickham RD (1 block from Hwy 95) Melbourne, FL 32940. Long-standing FFFA member Steve Lo will be teaching us about how to catch Shad during January & early February.

Annual Auction on February 24th at Perkins Restaurant

We are now preparing for our Annual Equipment Auction which will take place on February 24th at Perkins Restaurant & Bakery 8200 N. Wickham RD (1 block from Hwy 95) Melbourne, FL 32940

Clyde L. is overseeing this fun event and needs your donations to make this auction a great success. Donations are requested of any items associated with fly fishing from fly fishing rods, reels, art, fly tying equipment, materials to clothing items, tackle bags, boat equipment, etc.

It's Spring cleaning time so organize your equipment and contact Clyde to coordinate dropoff/pickup of those items you no longer need. Proceeds from the auction fund our club's operations including our annual holiday dinner and picnic and allow us to maintain our low membership dues. Don't forget to attend this very fun event!

We delayed the auction to get acclimated to our new location (Perkins Restaurant), first. This will help ensure it runs smoothly. And, January is more timely for learning about how to catch Shad.

President's Message

Thanks to Our Florida Fly Fishing Association's Leadership, Our Club's Christmas Dinner is on track to be one of our Club's best programs to date. Current 2025 paid Members are strongly encouraged to submit your attendance intentions asap and I hope all will take part in our gift exchange...as it's always been an exciting part of our celebration.

Also Leadership's search for a new Club Location has been solved with Perkins Restaurant and Bakery as our new home (see attached flyer). All are encouraged to partake in the outstanding menu and deserts by arriving early at our club functions. Let's give this location a few months to live up to our expectations.

The new year 2026, will start out with some opportunities to represent our club in the community. Starting with The Bass Pro Orlando Expo followed by Orlando Home and Garden Show (see our calendar for details). Volunteers are needed to make these events dynamic.

Our Annual Garage sale scheduled in January 2026 will be delayed until February as the expected Shad run in January should be excellent. Rainy is planning a terrific Shad Outing!

Thank you all for your continued trust and support. Let's make 2026 Great!

Tight Loops...

Tips from Fellow FFFA Club Members: The Winter Blues

I don't know about most of you, but I always get a little depressed around this time of the year. It could be the change in the weather, influx of snowbirds adding to fishing pressure on the water and more traffic on the roads. All the hustle and bustle and stress over the holidays. The visiting relatives and that guilt trip when you get on the scale after all the great food! The main thing is that I have to adjust my approach to fly fishing.

All summer and fall I have been out on the water before sunrise in order to beat the heat. There are also other benefits. You miss most of the heavy traffic both going out and coming home. You have time when you get home to clean up the boat and your gear and still get in a short nap. In winter, I find fly fishing is generally better later in the day when the sun has had time to warm up the water a little. I have to adjust my whole schedule to accommodate fishing later in the day, but you know, now that I am thinking about this, Maybe it's actually a good thing. I get to sleep later in the morning. I can spend more time on the water because the heat is not so intense. I get to spend some time fly fishing for shad and other freshwater species. That's not depressing at all.

Merry Christmas and Happy Holidays everybody, I look forward to seeing you on the water next year, and remember, the shad are coming!

Tight Lines everyone
Rainy G. and Scott C.
